- A) Police Department: location security, traffic and noise control. (Fees will be charged directly from the Palm Springs Police Department with an 8 -hour minimum)
- B) Fire Department: fire safety check, especially for indoor locations and outdoor areas of high fire danger, and pyrotechnics. (Charge for service: charges vary depending upon services requested.)
- C) Aviation Department: airport locations, air traffic (average charge for services: Film - \$125/hour plus \$90/hour escort services with a 2-hours minimum; still \$50/hour plus \$70/hr escort services with a 2-hour minimum)
- D) Traffic and Engineering Division; street closures, traffic control (charges vary depending upon complexity of street closure)
- E) Streets and Facilities Maintenance Divisions: traffic control equipment, labor (charges vary depending upon complexity of street closure)

Regulations

1. Advance Notice of Approval. An applicant will be required to the submit a permit request at least one working day prior to the date on which such person desires to conduct an activity for which a permit is required. If such activity interferes with traffic or involves potential public safety hazards, a permit request may be required at least seven days in advance.

2. Clean-up. The permitted shall conduct operations in an orderly fashion with continuous attention to the storage of equipment not in use and the clean up of trash and debris. The area used should be cleaned of trash and debris upon completion of shooting at the scene and restored to the original condition before leaving the site. If permitted fails to restore the scene to the original condition, the City reserves the right to clean and restore the scene and then charge the permitted for all associated costs.
3. Filming on Private Property and in Residential Areas.
 - A. An applicant is required to obtain the property owner's permission, consent, and /or lease for use of property not owned or controlled by the city. Written permission of the property owner must be presented at the time of permit application.
 - B. Applicant agrees that production vehicles will not be permitted to drive or park off the public right-of-way unless written permission has been obtained from the property owner. Applicant agrees that parking for production company equipment will be designated so that there is minimal concentration at the production site.
 - C. When shooting in a residential area, applicant must make its best effort to notify the residents in the area no later than 72 hours before shooting. Applicant shall supply residents with the shooting times, parking restrictions and the name, address and telephone number of the company's local office or representative.
 - D. Applicant shall minimize interference with the normal activities of a neighborhood, including access to private or public property. No littering is permitted, and all litter must be cleaned up completely and properly disposed of prior to leaving the location.

4. Filming at the City facilities.

All filming at the city facilities must be approved by the City manager or his designee. City facilities shall include, but shall not be limited to parks, golf course, and stadium and swim center other recreational facility locations, police department and fire department facilities, convention center, airport, library and city hall. The use of city equipment, vehicles and/or other city-owned property shall be approved in advance by the City manger.

5. Flood Control.

When filming in a flood control channel, an applicant must vacate the channel when permit indicates because of water releases. Please note that when filming in or on flood control properties, the agency must be named as an additional insured.

6. Public Works Department (Roads and Streets).

If the applicant must park equipment, trucks and/or cars in zones that will not permit parking, the area must be posted with temporary parking signs as required by the City Engineer. The applicant must also obtain permission to string cable across sidewalks or from the generator to the service point.

7. Traffic Control.

- a. For filming that would impair traffic flow, an applicant must use the Palm Springs Police Department personnel and comply with all traffic control requirements deemed necessary.
- b. A minimum of two police officers is required for all traffic control situations. Fees will be charged directly from the Palm Springs Police Department for all personnel, vehicle and mileage-related expenses.
- c. An applicant shall furnish and install advance warning signs and any other traffic control devices needed. All appropriate safety precautions must be taken.
- d. Traffic may be restricted to one 12-foot lane of traffic and/or stopped intermittently. The period of time that traffic may be restricted will be determined by the Palm Springs Police Department, based on location and time of day.
- e. Traffic shall not be detoured across a double line without prior approval of the Palm Springs Police Department.
- f. Unless otherwise authorized by the Palm Springs Police Department, the camera cars must be driven in the direction of traffic and must observe all traffic laws.
- g. Any emergency road work or construction by city crews and/or private contractors under permit or contract to the Public Works Department shall have priority over filming activities.

8. Parking Lots.

When parking in a parking lot, an applicant may be billed according to the current rate schedule established by the city.

9. Fees.

- | | | |
|--------------------------|------------------|--------------------------|
| a. Motion pictures/film: | Application fee: | \$ 184.00 |
| | Location fee: | \$ 49.00 |
| | Per Week: | \$ 245.00 (7-day period) |
| b. Still photography: | Application fee: | \$ 92.00 |
| | Location fee: | \$ 18.00 |

c. Facilities Use Fee:

Facilities managed by various city departments and divisions have fee schedules established for their use. Use fees appropriate to these facilities will be charged

directly by the specific department or division in addition to the Application and location fees.

d. Service Fee:

Fees will be charged to cover expenses to the city for personnel, equipment and vehicle expenses incurred by the city to assist a film project. The fees will reflect actual cost to the city and are applied in addition to Application and Location Fees.

10. Insurance Requirements.

a). Liability Insurance.

Before a permit is issued, a certificate of insurance will be required in an amount of at least \$1,000,000 naming the city as a co-insured for protection against claims of third persons for personal injuries, wrongful death, and property damage. The city and employees shall be named as additional insured (3200 E. Tahquitz Canyon Way Palm Springs, CA 92262) The certificate shall not be subject to cancellation or modification until after thirty days' written notice to the city. A copy of the certificate will remain on file.

b). Worker's Compensation Insurance.

An applicant shall conform to all applicable federal and state requirements for Worker's Compensation Insurance for all persons operating under a permit.

c). Hold Harmless Agreement.

An applicant shall execute a hold harmless agreement as provided by the city prior to the issuance of a permit.

d). Faithful Performance Bond.

To ensure cleanup and restoration of the site, an applicant may be required to post a refundable faithful performance bond (amount to be determined) at the time the application is submitted. Upon completion of filming and inspection of the site by the city, the bond may be returned to the applicant.

The authority to regulate the production of motion pictures and still photography Within the City of Palm Springs is provided in Chapter 5.76 of the Palm Springs Municipal Code. Copies of the ordinance amending the code are available from the film Permit Office.
